

TRK-3 OMNIA

AUTO KERATO-REFRACTO TONOMETER

Celebrate Year-End with
Exclusive TRK-3 OMNIA Offers

The **TRK-3 OMNIA** consolidates objective refraction, keratometry, tonometry, and pachymetry into one simple and easy-to-use device, making diagnostics faster and more efficient.

To show our appreciation for your partnership, Topcon Healthcare is **extending exclusive year-end trade-in and financing programs** to help your practice move forward with confidence.
